

Ferrellgas Celebrates National Truck Driver Appreciation Week

September 11, 2023 at 9:44 AM EDT

LIBERTY, Mo., Sept. 11, 2023 (GLOBE NEWSWIRE) -- Today kicks off National Truck Driver Appreciation Week, and the employee-owners at nationwide propane logistics company Ferrellgas Partners, L.P. (OTC: FGPR) have made plans to recognize and celebrate the nearly 2,500 drivers who help Fuel Life Simply for hundreds of thousands of propane users nationwide.

National Truck Driver Appreciation Week was established by the American Trucking Association in 1988 to recognize and honor the vital contributions of our nation's approximately 3.5 million truck drivers to the economy and our everyday lives. "Dependable Through and Through" is the theme of Ferrellgas' driver recognition throughout the week. It's a fitting choice for a company that was named one of *Newsweek's* Most Trustworthy Companies earlier this year.

"Mention the name Ferrellgas or Blue Rhino to anyone across the country, and the first image that comes to mind for many is the face of their Ferrellgas or Blue Rhino driver," President and Chief Executive Officer Tamria Zertuche said. "It's no secret how important they are to our business and to the customers they serve throughout the year. We're thankful to get to recognize them during this special week."

The company will celebrate National Truck Driver Appreciation Week by thanking Ferrellgas and Blue Rhino drivers via social media posts and celebrations held at local Ferrellgas offices.
